Direct Appeal Campaign

The Bailey Theatre Society would like to take this opportunity to once again, thank you for your support of the historic Bailey Theater. It continues to be the source of Life's Entertaining Moments in downtown Camrose.

Each spring, we experience a need to replenish our bank account to get through the summer and to book performers for the next season. For that reason, this year we are starting our first annual Direct Appeal Campaign to ask our faithful supporters to make a donation to help keep the doors open and the lights on. Donations will be directed to our Operating Fund and are eligible for a Charitable Tax Receipt.

We are asking if you can help in our Direct Appeal this year. Make a donation to the Bailey Theatre and keep this beautiful space a part of your community theatre experience.
